Introduction

Welcome to Ask the Politician, a Chatbot experience that allows you to learn where your candidate stands on all the most important issues of the 2016 Presidential Election. Both Hillary and Donald are eager to tell you, in their own words, exactly what they believe and why you should vote for them. To make your experience more rewarding, we've provided a list of questions that both bots--we mean candidates--are prepared to answer. Just like in real life, you may be able to stump them. That's okay, they're built to politic themselves out of any trouble. Enjoy.

How to Ask the Politician

Finding out where the candidates stand has never been easier. After entering the SapientX website, www.askhillaryanddonald.com, allow Hillary and Donald to introduce themselves, it's the polite thing to do. From there, you're in control! If you want to ask Hillary Clinton a question, click the microphone under her avatar. If you'd prefer to ask the Donald, then click the microphone under his avatar.

If you're looking for a mini-debate and want to hear what each one thinks, click the center microphone, ask your question, and each one will take turns explaining themselves to you.
